Advertising packages for Gold, Silver and Bronze Sponsorship

Who we are:

Rimutaka Gymsports is a well-established community based, not for profit sport club in Upper Hutt.

We have been part of the Upper Hutt community for over 35 years, and are not only one of the largest community organisations in Upper Hutt, we also have one of the largest year-round sports based memberships.

We offer a wide range of gymnastic sports, from preschool movement to teen gymnastics classes.

We operate out of two buildings in central Upper Hutt, our main gym, and our smaller gym to cater for all the classes we offer, most of which have waiting lists to join.

We have competitive teams that travel and compete throughout the country, with some of our gymnasts competing at National championship level.

We provide excel and team gym programmes, along with many more classes. As a club we provide a safe environment where people from our community can participate in movement through gymnastics, by giving them a foundation of skills for active lives.

Being a not-for-profit club, we try to obtain funding in many ways, one being, offering advertising to businesses.

What exposure can you expect from being a sponsor?

We currently have over 350 members enrolled at our club, from preschool to young adult. With waiting lists for most of our Recreational classes.

We host one competitive and two recreational competitions at our club each year with over 400 gymnasts from the lower North Island attending, along with their family, friends and the general public.

In addition, we host a number of private functions such as birthdays and club events to the wider community and non-club members. Our birthday parties are a popular choice with a high demand for these. Most weekends throughout the year are booked with advance booking recommended.

We cater for local schools, preschools, holiday programmes and special needs members of the community, and host a very popular School's Festival each year. We have a large variety of people coming through our gym daily.
